Look out!

Fun-Boy is on a quest for adventure. But all he seems to find are misadventures. An attempt to fight a raging fire ends up sparking his father's frustration. Then Fun-Boy's chocolate ice cream cone becomes a tasty treat — for someone else. When his friend, Marie, is bullied by some tough kids, can Fun-Boy finally save the day? Come along and find out!

These twelve wordless short stories, told in big comic strip panels perfect for pre-readers, will inspire kids to tell Fun-Boy's stories in their own words.

For late nights watching
scary movies with my film buff dad.
For hugs of comfort from my ever
so optimistic mom whenever I got hurt.
Thank you for always giving me
love, affection and support.
Yo los quiero mucho a los dos.
(I love you both very much.)
